Straight from the headlines comes a searing, suspense-filled drama of one family's dangerous fight for justice. Anthony Hopkins *(The Silence of the Lambs)* stars as Joel Filartiga, a South American doctor who vowed revenge when his son was tortured and killed by the military dictatorship. Norma Aleandro *(Gaby—A True Story)* plays the wife who joined him in a personal war that threatened their own lives and took them to the United States before ending with a landmark human-rights decision. *(AS)* 1:30. **April 20,23,25,28**

When an ordinary guy dumps his ho-hum life, the laughs never stop in this romantic romp. Tom Hanks is a nowhere Joe until he makes a bizarre deal with businessman Lloyd Bridges: for six weeks of a king's lifestyle, he'll jump into a Pacific isle volcano. Meg Ryan has a triple role as co-worker, California girl and captain of the yacht sailing Joe to his destiny—or maybe theirs. With stunning sets, snappy banter and a sweet love story. *(AL)* PG-1:42. **April 6,12,16,21,24,29**
